

The Coventry

All of the committees met June 17, 2019 at Shelley Schalip's home on Reebok at 7 PM. They included the Social Committee, Block Watch Committee and the Front Entrance Committee.

Neighborhood Watch Committee

The Neighborhood Block Watch is in search of folks on each street to keep an eye out for the neighborhood. Before meeting with our liaison officer Mark Polis, I was under the impression that Block Watch meant walking around at night in groups. The more effective solution to deter crime in our neighborhood is to have lots of eyes or at least several people on any given block watching out for their neighbors. If you would like to volunteer and report anything suspicious going on in your block, please let me know.

Also, please let us know if you would like to submit your name, address, email and or phone number for the Coventry directory. It would be great to have the ability to communicate directly and get the word out about any upcoming events.

Summer Tip

Prune away! Keep an eye on your garden and remove any diseased, damaged or dead debris. Light pruning all year encourages steady growth and builds a healthy plant. You'll also want to be vigilant about weeds. They thrive off summer heat and steal nutrients and water from other plants

Upcoming Events

Important Announcement

Election of new officers - Thursday November 7, 2019.

If you are interested in being a part of the board, please submit which office you are interested in.

Board meetings are held 1st Thursday of every month unless it is a holiday.

Landscaping Committee

Looking for volunteers to help maintain the front entrance, 5-6 people are needed for weeding and pruning during the summer months. Currently we have 2 volunteers. This fall we are planning to add new perennials. Our HOA dues help cover the cost of mowing and maintenance from a private company. The goal of landscaping committee is to keep costs within our budget.

Please email me if you are interested in volunteering your time.

Kind regards,

Sharon Sunseri – Landscaping Committee

Social Committee

The Social Committee is interested in creating a neighborhood that gets to know each other and be good support to each other. We are looking for volunteers to help with such things as Welcome to The Neighborhood Basket. If you have a business and would like to include a business card, coupon or gift please let me know. It is an excellent way to promote your business. Also, if you frequent a local business please ask if they would like to contribute to our Welcome Basket as well.

Please let me know if you would be interested in a presentation from SWACO to educate us about recycling. If we have enough people interested they will come to us. This could be coordinated with the Liaison Officer presentation about Block Watch. Other interests include neighborhood garage sales and parties.

We have standing signs (see photo) on order to place at both Coventry entrances to help keep residents notified and reminded of events in our community.
